

Canto Classico Concert Choir Berne

The Bernese Concert Choir Canto Classico was founded in 2007 by the artistic director Willi Derungs. The choir provides not only a Concert Choir but also has a powerful vocal ensemble for engagements and smaller concerts.

Canto Classico has set the goal for interest in particular young singers in classical choral music. The Concert Choir has a wide repertoire ranging from baroque music to contemporary compositions and includes literature from opera and operetta. Canto Classico performs several times a year in the French Church of Berne or in the Culture-Casino of Berne. The professionalism and the musical quality of the Concert Choir have lead to an invitation for concerts in Italy (Summer 2012). In december 2012 Canto Classico is also invited to take part of the Switzerland tour with the famos mezzosoprano Vesselina Kasarova and the Philharmonie Baden Baden.
